LA VERA PIZZA™

Authentic Italian Pizza – Made in Italy

Enjoy a true taste of Italy — simple, authentic ingredients and traditional Italian flavor in every bite. Bringing the world to you, one slice at a time

Authentic Italian Ingredients

- 24-Hour Fermented Dough – Made with Caputo flour, the gold standard of pizza flour, creating a light, airy, and highly digestible crust.
- 100% Fior di Latte Mozzarella – Premium Italian mozzarella made from cow's milk for a clean, authentic flavor
- Italian Tomatoes – Vine-ripened tomatoes grown in Southern Italy, delivering a rich, vibrant, and authentic sauce.
- Extra Virgin Olive Oil – Premium Italian olive oil adds depth, smoothness, and classic Mediterranean flavor..
- Clean Ingredient Profile – Non-GMO, no preservatives, all natural, and made with only a few simple ingredients.

Each pizza is produced in Italy using traditional methods and then cryo frozen immediately after production to lock in freshness, flavor, and texture for up to **24 months**. This process preserves an authentic taste while ensuring consistent quality.

• Ready to bake in under 10 minutes
• No dough preparation required
• Consistent quality every time
• Minimal labor and training needed

Versatile Menu Solution

La Vera Pizza can be served as a classic pizza or used as a high-quality pizza base to add toppings such as:

• Mozzarella or specialty cheeses
• Anchovies or seafood toppings
• Vegetables
• Premium proteins

This flexibility allows to create multiple menu items from a single product.
